TENNIS COLLECTION**

La collezione tennis Australian eredita da sempre forti influenze retro, il grande punto di forza del brand e in cui vengono introdotti elementi innovativi.

I completi Players sono caratterizzati dal tessuto tecnico Ace, per il quale viene utilizzata una vestibilità adatta alla performance sui campi, dando vita a capi che incentivano le prestazioni e donano un particolare stile agli atleti. Le proposte di stagione si focalizzano su look dinamici e sofisticati rappresentati dai gruppi di prodotto CAMO JUNGLE e BRUSH LINE, indossati dai nostri campioni rispettivamente a partire dagli Australian Open e successivamente per la stagione su terra rossa.

Molta attenzione al femminile, scollature rotonde, stampe a righe asimmetriche e la cura dei dettagli al servizio dell'activewear.

The Australian tennis collection is always focused on retro influences, a strong landmark of the brand with addition of innovative ideas.

The Players set is characterized by the technical Ace fabric, a fit suitable for high performances on the court and giving a distinctive style to athletes. The seasonal proposal is focused on dynamic and sophisticated looks represented by the CAMO JUNGLE and BRUSH LINE product groups, worn by our champions respectively at the Australian Open and later during the clay season.

Particular attention to women: round necklines, asymmetrical striped prints and attention to detail at the service of activewear.
