**SS22  
MEN LEISURE  
COLLECTION**

Dinamismo e praticità sono le parole chiave  
che caratterizzano la nuova stagione Australian.

Giocando con i dettagli, i color block ed il contrasto di tessuti, il leisure trend sta sconvolgendo i canoni della moda tradizionale. La tuta è da sempre il capo icona ed allo stesso tempo più versatile della collezione Australian. Oggi più che mai adatta per essere indossata tutto il giorno, ogni giorno e in ogni luogo, grazie a un mix di comfort e appeal retrò.

Che sia intera o componibile, nei gruppi CLASSY, ICON, SPORTY E YOUTH sono raggruppate un'ampia gamma di proposte adatte a tutte le personas, dal più giovane ed eccentrico che esige dettagli e finiture smart, all'uomo che non può rinunciare ad un look dinamico e sobrio allo stesso tempo.

La vasta collezione non si limita alla tuta: dalle felpe fino ai maglioni, tutti i capi sono caratterizzati da un design unico, che rende il look ricercato e disinvolto, come anche le polo, che uniscono vestibilità slim, regular e classic a dettagli, tessuti e filati pregiati quali piquet in poliamide, piquet elasticizzato e filo di scozia, perché tutti i capi Australian sono progettati per offrirti comfort e stile ogni volta che li indossi.

*Dynamism and practicality are the keywords  
that characterize the new Australian season.*

*Playing with details, color blocks and contrasting fabrics, the leisure trend is upsetting the canons of traditional fashion. The tracksuit has always been the iconic and at the same time most versatile garment of the Australian collection. Today more than ever suitable to be worn all day, every day and in every place, thanks to a mix of comfort and retro appeal.*

*The CLASSY, ICON, SPORTY AND YOUTH product groups contain a wide range of proposals suitable for all personas, from the youngest and most eccentric who requires smart details and finishes, to the man who cannot give up a look dynamic and sober at the same time.*

*This huge collection is not limited to tracksuits: from sweatshirts to sweaters, all the garments are characterized by a unique design, which makes the look refined and casual, as well as the polo shirts, which combine slim, regular and classic fits with details, fabrics and fine yarns such as polyamide piquet, stretch pique and lisle, because all Australian garments are designed to offer you comfort and style every time you wear them.*
