FW22
TENNIS COLLECTION

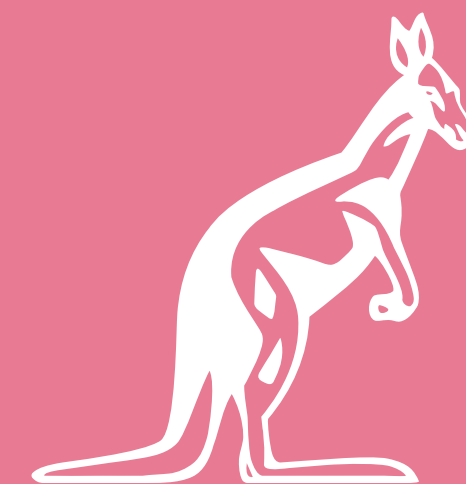

Con l'arrivo dell'inverno Australian unisce alla tradizione tennistica del brand una nuova anima active.

I completi Players sono caratterizzati dal tessuto tecnico Ace, per il quale viene utilizzata una vestibilità adatta alla performance sui campi, dando vita a capi che incentivano le prestazioni e donano un particolare stile agli atleti. Il design e la vestibilità regular fit, combinati al nuovo taglio performance, consentendo all'atleta massima precisione nei movimenti.

Le proposte di stagione uomo, si focalizzano su look dinamici e con stampe retro rappresentati dai gruppi di prodotto HC LINES e COLOR PLAY, indossati dai nostri campioni a partire dalla stagione sul veloce. Molta attenzione al femminile che con la linea ICE PINK presenta scollature rotonde, stampe a righe asimmetriche che richiamano le nervature del ghiaccio e la cura dei dettagli al servizio della praticità.

With the arrival of winter, Australian joins the brand's tennis tradition with a new active soul. The Players uniform is characterized by the technical Ace fabric, with a fit suitable for performance on the fields that incentivize performance and give a particular style to athletes. The design and regular fit, combined with the new performance cut, allowing the athlete maximum precision in movements.

The men's season proposals is focused on dynamic looks and retro prints represented by the HC LINES and COLOR PLAY product groups, worn by our champions starting from the hard court season. Much attention to the women, where the ICE PINK line presents round necklines, asymmetrical striped prints that recall the ribs of ice and attention to detail at the service of practicality.
