SPORTSWEAR **FALL
WINTER
2024**

Il "Comfort All Day Long" è al centro della nuova collezione donna invernale.

Quest'anno, ci siamo ispirati alle tonalità calde e ai tessuti avvolgenti, creando una gamma di capi che unisce cura dei dettagli, comfort e stile senza compromessi.

La linea "Easy Chic" unisce l'energia dello sport al glamour della moda. Vestiti di ispirazione sportiva, tute eleganti e maglie dal design accattivante, ti permettono di passare senza sforzo dalla palestra a un pranzo con le amiche senza compromettere lo stile. Felpe garzate, joggers dal taglio moderno e giacche sportive sono gli alleati perfetti per un look casual ma sofisticato, adatto a qualsiasi scenario urbano.

Morbidi e avvolgenti, questi capi sono progettati per abbracciare la tua femminilità con stile. Dai toni neutri ad un'attenta ricerca dei tessuti, avrai l'embarrass du choix per definire il tuo look in modo unico.

"Comfort All Day Long" is at the heart of the new winter women's collection. This year, we took inspiration from warm shades and enveloping fabrics, creating a range of garments that combine attention to detail, comfort and uncompromising style.

The "Easy Chic" line combines the energy of sport with the glamor of fashion. Sports-inspired clothes, elegant tracksuits and captivatingly designed sweaters allow you to go effortlessly from the gym to lunch with friends without compromising on style. Brushed Sweatshirts, modern cut joggers and sporty jackets are the perfect allies for a casual but sophisticated look, suitable for any urban scenario.

Soft and enveloping, these pieces are designed to embrace your femininity in style. From neutral tones to unique fabrics you'll have the embarrass du choix to define your look in the best way.
