

**FW24 MEN
SPORTSWEAR COLLECTION**

Dinamismo e praticità sono le parole chiave che caratterizzano la collezione Sportswear. Giocando con i dettagli, i color block ed il contrasto di tessuti, lo sportswear trend si consolida come essenziale per la vita di tutti i giorni. La tuta è da sempre il capo icona ed allo stesso tempo più versatile della collezione Australian, oggi più che mai adatta per essere indossata per ogni occasione grazie a un mix di comfort, appeal retrò e dettagli all'avanguardia.

Nei gruppi HERITAGE E CONTEMPORARY sono raggruppate un'ampia gamma di proposte adatte ad ogni tipo di personalità, dal più giovane ed eccentrico che esige dettagli e finiture smart, all'uomo che non può rinunciare ad un look dinamico e sobrio allo stesso tempo. Per ogni uomo, abbigliamento sportivo significa libertà e comfort ma la collezione non si limita alla tuta: dalle felpe, t-shirt e track jackets, tutti i capi sono caratterizzati da un design unico, che rende il look ricercato e disinvolto.

Dynamism and practicality are the keywords that characterize the Sportswear Collection. Playing with details, color blocks and contrasting fabrics, the sportswear trend is consolidated as essential for everyday life. The tracksuit has always been the iconic and at the same time most versatile garment of the Australian collection, today more than ever suitable to be worn for any occasion due to a mix of comfort and retro appeal and state-of-the-art details. The HERITAGE AND CONTEMPORARY groups contain a wide range of proposals suitable for every type of personality, from the youngest and most eccentric who requires smart details and finishes, to the man who cannot give up a dynamic and sober look at the same time. For every man, sportswear means freedom and comfort and the collection is not limited to tracksuits: from sweatshirts to track jackets and t-shirts, all garments are characterized by a unique design, which makes the look refined and casual.
